Towards an effective change in the life of Under-Privileged
Women, Children & Youth

MESSAGE FROM PROVINCIAL – INM

Dear Friends,

It gives me great joy to wish ARUWYE, for its dedicated and fruitful service to the poorest in the society, especially for women, children and youth. The various services rendered through a variety of schemes, prove the deep involvement and love towards the least and the lost brothers and sisters of this society.

During the financial year 2017-2018, ARUWYE actively conducted events promoting innovative teaching skills for the non formal teachers in giving quality education to the students. ARUWYE also concentrating on the empowerment of women, through self management and vocational trainings enable them to earn for the livelihood.

The commitment and dedication of the sisters, staffs, well wishers, an benefactors in empowering children, women and youth is to bring about a change and a transformation in the society and to prepare them to become social agents in the society.

I wish and pray that all may continue to do this great mission with joy and gladness. For it is said. "God loves a cheerful giver". I take this golden opportunity to wish that ARUWYE may extend far and wide to reach out to the periphery by becoming Missionaries of hope and Joy to the vulnerable in following the footsteps of our founders St. Don Bosco and St. Maria Mazzarello.
